Title :	Fee-charging Standards for Regulatory Services Under the Nuclear Reactor Facilities Regulation Act 
Date :	2026.08.11
Legislative :	Original 13 Articles promulgated by Atomic Energy Council, Executive Yuan on July 2, 2003 under Decree No. Hui-He-Tzu 0920014930. Article 3, as amended on February 18, 2004 by the Atomic Energy Council, Executive Yuan under Decree No. Huei-He-Tzu-0930004588. Article 3-1 and 6-1 were added and promulgated on December 16, 2005 by the Atomic Energy Council, Executive Yuan under Decree No. Huei-He-Tzu-0940040010. Article 10, as amended on January 19, 2007 by the Atomic Energy Council, Executive Yuan under Decree No. Huei-He-Tzu-0960001928. 16 Articles were amended and promulgated on January 17, 2009 by the Atomic Energy Council, Executive Yuan under Decree No. Huei-He-Tzu-0980000901. Article 5, 6, 7 and 13 were amended and promulgated on January 8, 2010 by the Atomic Energy Council, Executive Yuan per its Decree No. Huei-He-Tzu-0990000103. Article 6, 7 and 16 were amended and promulgated on September 14, 2012 by the Atomic Energy Council, Executive Yuan per its Decree No. Huei-He-Tzu-1010014878. Article 11 were amended and promulgated on March 2, 2017 by the Atomic Energy Council, Executive Yuan per its Decree No. Huei-He-Tzu-10600026902. Article 5 were amended and promulgated on December 27, 2017 by the Atomic Energy Council, Executive Yuan per its Decree No. Huei-He-Tzu-10600164342. Article 6,7,11 were amended and promulgated on November 08, 2018 by the Atomic Energy Council, Executive Yuan per its Decree No. Huei-He-Tzu-10700132872. Article 1, 3, 6,7,11 were amended and promulgated on October 08, 2025 by the Nuclear Safety Commission, and No. Hu-An-Tzu-11400144572. Article 12 was amended and promulgated on August 11, 2026 by the Nuclear Safety Commission, and No. Hu-An-Tzu-11500041702.

Content : **Article 12**

Pursuant to Articles 5 and 7 of the *Regulations Governing the Licensing of Nuclear Reactor Operators*, the examination fees payable by applicants for the examination for a license to operate a power reactor and for reexamination shall be as follows:

Phase I Examination: NT\$5,000 per application.

Phase II Examination:

(1) **Operator:** NT\$10,000 per application.

(2) **Senior Operator:**

1. **Holder of an Operator License:** NT\$15,000 per application.

2. **Non-holder of an Operator License:** NT\$25,000 per application.

Pursuant to Articles 12-1 and 12-2 of the *Regulations Governing the Licensing of Nuclear Reactor Operators*, the examination fees payable by applicants for the operational capability examination for power reactor operators and for reexamination shall be as follows:

Operator: NT\$5,000 per application.

Senior Operator: NT\$8,000 per application.

Pursuant to Articles 13 and 15 of the *Regulations Governing the Licensing of Nuclear Reactor Operators*, the examination fees payable by persons taking the requalification examination for power reactor operators and for reexamination shall be as follows:

Operator: NT\$10,000 per application.

Senior Operator: NT\$15,000 per application.

Pursuant to Articles 18 and 21 of the *Regulations Governing the Licensing of Nuclear Reactor Operators*, the examination fees payable by applicants for the examination for a license to operate a research reactor and for reexamination shall be as follows:

Operator: NT\$15,000 per application.

Senior Operator: NT\$20,000 per application.
