Title: Regulations on the Disclosure of Information about Potential Radiation Disasters Ch

Date: 2017.03.03

Legislative: Original 5 Articles promulgated by Atomic Energy Council, Executive Yuan on March 3, 2017 under Decree No. Hujeh-Chi-Tze-1060002693

### Content: Article 1

These Regulations are stipulated in accordance with Paragraph 4, Article 22 of the Disaster Prevention and Response Act.

#### Article 2

The types and areas of information about potential radiation disasters used in this Regulation are included as follows:

- 1. The Municipalities and County (City) where the nuclear reactor facility is located.
- 2. The Municipalities and County (City) where the facility with the Category I and Category II Sealed Radioactive Material is located. Category I and Category II sealed radioactive material were according to the definition of "Administrative Regulations for Radioactive Material and Equipment Capable of Producing Ionizing Radiation and Associated Practice".
- 3. The Municipalities and County (City) where the authorized nuclear materials and radioactive waste storage facility is located.

# Article 3

The procedures for obtaining and updating the information about potential radiation disasters according to the following rules:

- 1. The nuclear reactor facility: In accordance with Article 2 and Article 3 of "Regulations for the Review and Approval of Applications for Operation License of Nuclear Reactor Facilities".
- 2. The facility with Category I and Category II Sealed Radioactive Material: In accordance with Article 15 and Article 18 of "Administrative Regulations for Radioactive Material and Equipment Capable of Producing Ionizing Radiation and Associated Practice".
- 3. The storage facility of nuclear materials and radioactive waste: In accordance with Article 3 and Article 8 of "Regulations for the Nuclear Source Materials Operational Safety Management", Article 3 and Article 13 of "Regulations for the Nuclear Fuels Operational Safety Management" and Article 2 to Article 5 of "Regulations for the Review and Approval of Applications for Construction License of Radioactive Wastes Treatment, Storage and Final Disposal Facilities".

# Article 4

The Atomic Energy Authority shall publicize the information about potential radiation disasters stipulated in Article 2 of the regulation on the website and update it duly.

# Article 5

These Regulations shall come into force on the date of the promulgation.
